Situations That Seem Impossible

Its Impossible

How many impossible situations have you faced?

You could not see the way.

You may be in one of those impossible situations right now.

Finances are tight.

Sickness has taken a hold on your life.

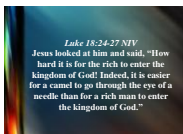

You are overcome with difficulties.

Weariness from the tests of life has taken its toll.

You cannot see a way.

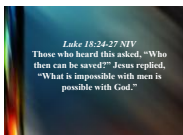

It seems impossible.

Luke 18:24-27 NIV Jesus looked at him and said, **“How hard it is for the rich to enter the kingdom of God! Indeed, it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God.”**

#3

Those who heard this asked, **“Who then can be saved?”** Jesus replied, **“What is impossible with men is possible with God.”**

Jesus was saying it is hard for the rich to enter the kingdom of God.

#4

Then he qualified it and said it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God.

That sounds impossible!

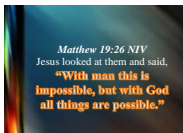

What is impossible with men is possible with God.

#5

Mark 10:27 NIV Jesus looked at them and said, **“With man this is impossible, but not with God; all things are possible with God.”**

#6

Matthew 19:26 NIV Jesus looked at them and said, **“With man this is impossible, but with God all things are possible.”**

Have you faced an impossible situation?

The lady was bent over and could not stand up straight.

Luke 13:11, says she had been like that for 18 years.

This is impossible with man.

The picture paints an impossible situation.

What can be done?

The man was born blind.

John 9 says it is unheard of that anyone born blind could see.

This is impossible with man.

He had never seen the light of day.

Acts 3:2, There was a man who was lame from birth.

He could in no way take care of himself.

He never had stood on his feet.

This is impossible with man.

In Luke 8:30, the man had a legion of demons.

His spiritual condition was hopeless.

This is more evil in one place than we want to think of.

This is impossible with man.

The Bible is full of impossibilities.

There is no human solution.

But God sent Jesus Christ to seek and save the lost.

Jesus has become our redeemer and deliverer.

He is the way out of your hopeless and helpless situation.

We want to bring these things to God in prayer.

By faith answers are going to come.

We must get this into our spirit and mind.

Matthew 19:26 NIV “with God all things are possible.”

We are serving a God of infinite possibilities.

*He is limitless in power.
He is limitless in resources.
He is limitless in wisdom.
He is limitless in grace.*

We must not allow the situations we are in to dictate to us what God can do.

It is time for God in interrupt what has been going on in your life.

Matthew 19:26 refers to that Divine interruption.

Whatever the impossibility is situations change with God.

“But with God all things are possible.”

What is it that you are facing?

*Have you defined what is going on?
Some people have misplaced the blame.
We really need to nail this down.*

Are spiritual forces attacking and keeping you down?

But with God....

Is your health failing?

*Have you been in chronic pain?
Has the situation not improved?
But God is greater...*

Doubts and fears may be assaulting your mind.

But with God things are about to change.

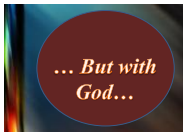

With man it may be impossible.

But with God all things are possible.

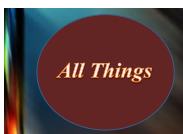

One of the hardest parts for us to grasp is the “all things” statement.

*Can you believe that God can work in your life?
Can God do all things in your life?*

Can you accept that He can do all things in your life?

She was bent over and could not straighten up.

He was blind from birth.

He was lame from birth.

Thousands of demons had taken charge of his body and soul.

It was impossible, But, all things are possible with God!

Many people are limited by their past history.

They just can't see how God could work it out.

He said: "All things."

Others have said you cannot get away from it.

You may have accepted what they said.

Jesus said: "All things."

You have been controlled by the things you have done and what has happened in your past.

He said: "All things."

God is ready to interrupt situations in your life.

He may not work the way you planned.

Are you ready for a divine interruption?

What would happen if God healed your body today?

What would you do if God saved your lost family?

What would you do if that bondage was broken?

What would happen in the God of impossibilities did something for you right now?

What would that look like?

What would happen if God intervened right now?

Get ready for God.

The Lord is ready to do something great in your life.

You have been attempting to solve it on your own.

I am here to tell you that the Lord is interested in your situation, and nothing is impossible!
